Further Education Centre

Prospectus 2012-2013

Welcome to Abbeyleix Further Education Centre

It gives me great pleasure to introduce you to the Abbeyleix Further Education Programme for 2012/2013.

The Further Education Centre, Abbeyleix, Co. Laois was established in 1991. It is a Centre dedicated to providing adults with further or 'second chance' education and training opportunities. The Centre provides a wide range of courses including Junior Certificate, Leaving Certificate, Post Leaving Certificate and Vocational Skills Training courses.

It is staffed by a director and twenty seven full-time and part-time staff. Its ethos is consistent with the profile of its student population, meaning that its focus is on the active participation of the learner in the decision making process.

The participants are encouraged to be involved in accepting responsibility for their own learning. We are proud of our record of academic success, the support we give our students, the progression rates to third level institutions and to employment and the excellence of the facilities available in the Centre.

The Centre is located in a brightly refurbished building which was, at one time, a Vocational School. It operates under the auspices of County Laois Vocational Education Committee and in accordance with the regulations of the Department of Education and Skills.

I hope you can find a course in our programme to suit your needs.

I look forward to meeting you in Abbeyleix Further Education Centre.

General Information

Location

The Education Centre is located on the Mountrath Road. If coming from Dublin, take a right turn at the traffic lights in Abbeyleix and we are located about 200 yards away on the left hand side. If coming from Cork, take a left turn at the traffic lights in Abbeyleix.

Costs

- There are no tuition fees payable to the Centre by EU Nationals attending a full-time course. However, students should budget for the cost of examinations, textbooks and materials. Non-EU Nationals who do not meet the exemption requirements are liable for the full tuition fee as per the instructions of the Department of Education and Skills.
- Department of Education and Skills PLC Contribution Fee of €200 is payable on registration. This is a fee introduced by the government in the 2011 budget.
 - Medical Card holders, those in receipt of a student grant, Back to Education Allowance (BTEA) or Vocational Training Scheme (VTOS) allowances are exempt from this fee.
- Centre registration fee of €100 payable on registration.
- Transport: PLC Students pay €55 per month to use the bus service. This fee is subject to change for 2012/2013.
- There is a FETAC Certification Fee of €50 payable on registration. Medical Card holders and/or social welfare recipients are exempt from this fee.

Further Education Grants

Students attending full-time approved PLC courses for the 2012/2013 academic year are eligible to apply for a maintenance grant. The maintenance grant is a means tested grant. The grant is payable monthly. A new ONLINE ONLY student grant application system is being introduced for the 2012/2013 academic year. All NEW applications will be made online to a single awarding authority, SUSI (Student Universal Support Ireland), a unit of City of Dublin VEC, through www.studentfinance.ie.

Students who are currently in receipt of a student grant and who are progressing to the next year of the same course will continue to be assessed and paid by their existing awarding authorities - i.e. the relevant local authority or Vocational Educational Committee. If you are changing your course or progressing to a new course you will need to apply through the SUSI online system.

Full Time Class Hours

Having been part of the Irish workforce for over thirty years I was one of the casualties of the recession. Carmel from AEGIS introduced me to Abbeyleix Further Education Centre. Having left school without sitting the Leaving Cert examination I have always regretted not achieving this goal. I am now half way through the course. I have to warn you, it is not easy but it is very fulfilling. The tutors in Abbeyleix FEC are without doubt second to none. I would urge anyone who has any regrets about not finishing their education to take a chance, come in and have a look. Age does not matter at Abbeyleix FEC. We are all equal. Do it for yourself.

Opportunities/Progression

Students who successfully complete this course may have the option to continue their studies in the Centre progressing to the Art and Business FETAC Level 6 course. The full FETAC Level 5 award facilitates entry, on a competitive basis, to a range of third level institutions. Graduates can apply for any art/design course in the Institutes of Technology, NCAD or abroad with a quality portfolio. For those students who do not wish to attend third level, there are many employment opportunities in the area of art and creative enterprise.

Art Exhibition

The year's work culminates in a group exhibition in the Dunamais Arts Centre where students are given the opportunity to exhibit their work. The Graduation Show is an annual feature of the Abbeyleix Further Education calendar and the Dunamais Arts Centre's exhibition programme.

Costs

Approximately €200 for course materials. Please refer to the Costs Section on page 1 for details of additional registration, certification and transport costs.

Heidi Higgins completed the Art, Craft and Design course in Abbeyleix Further Education Centre in 2004/2005. She graduated from Fashion at NCAD in 2008 and she proudly introduced her own label to the Irish market in May 2009.

The Art and Design Programme at LSAD is both exciting and challenging, down through the years we have found that students coming from the Portfolio course at Abbeyleix FEC are well equipped to meet the challenges presented by our course.

The past students of Abbeyleix FEC serve as great ambassadors for the programme and are testament to the dedicated staff and the high standards promoted by the course. I have no doubt that these high standards will continue to be maintained and we look forward to our continued association with the programme.

‘A great sense of hope, belief, effort and creativity sweeps through the art studio in Abbeyleix.’

Luke Monaghan
Level 6 2009/2010

'I decided to return to study in Abbeyleix FEC as I wanted to start up my own business. I studied carefully the contents of the courses offered and realised that it was the Business Studies Administration Course that I should do. The subjects studied on this course are relevant and modern and I knew that they were just what I needed. I made many friends during the year also and the Centre has excellent up to date IT facilities which greatly helped. The tutors were excellent and extremely helpful. I have since set up my own business since leaving the course. I am very pleased to say that the business is going very well and has been a great success! The knowledge that I learned during the year has greatly contributed to this success!'

'As a mature student returning to education Abbeyleix Further Education Centre gave me the courage and the confidence to pursue my dream of a business degree. The Centre fosters the learner inside you and with hard work and determination prepares you more than adequately for third level. The Advanced Certificate in Business also gained me exemptions in Communication and Management in Carlow Institute of Technology. Now a Year 2 student and loving every minute of it. Thank you Abbeyleix Further Education Centre.' **Annetoinette Gleeson-Mills**

Congratulations to Annetoinette who was awarded an Academic Scholarship from Carlow Institute of Technology in March 2011.

My nursing studies course at Abbeyleix was enjoyable and is a valuable basis for first year in third level. Without this course I would not now be starting in DCU and going on to my dream career of nursing.

Tuition is free for all participants with less than upper secondary education, i.e. participants who do not have Leaving Certificate or its equivalent. For all remaining participants, full fees will be charged. BTEI courses are run on a modular basis. Full tuition cost for one module is €220 (may be subject to change for 2012/2013). A Centre Registration fee of €100 is payable on commencement of a course.

Self-financing Classes 2012

The Centre offers a number of self-financing classes each year. This year the classes on offer are Art and Woodcraft. The classes begin in March and run for 10 weeks on Tuesday afternoons from 1:30pm - 3:30pm. **Cost:** €110

Student Facilities

Access to fully equipped Computer Rooms

An element of Information Technology is integrated in all areas of the timetable allowing every student the opportunity to access computer classes. There are 3 fully equipped and networked computer rooms in the Centre. These rooms cater for a high demand for access to workstations. There is a wide range of application software ranging from industry standard word processing, database, spreadsheet and publishing software to more specialised accounts, payroll, Adobe and Web Authority software.

Internet broadband facilities are available in all computer rooms. Intranet technology is integrated into the delivery of selected business modules allowing students to download class notes, work sheets and assignment briefs.

Canteen

The canteen is at the heart of Abbeyleix Further Education Centre. The Canteen provides the staff and students with an area to relax and unwind from the pressures of classes, assignments and exams. This area provides an opportunity for the diverse population of the Centre to meet and catch up on news and exchange ideas and opinions regarding events inside and outside the Centre.

Literacy Support

The Centre's timetable provides for the availability of a basic English tutor for a number of hours per week. Students with basic literacy and numeracy skills can avail of this support and classes are designed specifically for the needs of individual students. Extra tuition, for students who request it, can be organised through the Laois Adult Learning Centre which is also part of Laois VEC. All contact with the Adult Learning Centre is treated in strictest confidence.

Student Activities

Art Exhibition

Art students showcase an extensive range of work from painting, drawing, sculpture, combined materials and garment construction. The art exhibition is held annually in the Dunamais Arts Centre.

Student Committee

Students from each course select a student representative. The student representatives form a committee which meets throughout the year to discuss matters of interest to the students. The student committee organises a programme of activities within the Centre, e.g. fundraising events such as the Christmas food appeal and raffle held every year for St. Vincent de Paul.

Centre Trips

Student groups travel abroad to destinations such as Paris, Barcelona, Rome, Madrid and most recently to Florence in 2012. These trips are of great educational benefit to the students, both culturally and socially. A number of day trips are organised throughout the year for different groups.

Student Awards Day

The student awards day signifies the end of the year. Each student (with a minimum 80% attendance) is presented with a certificate listing the modules/subjects they studied throughout the year. A student is selected from each course and presented with an individually chosen award which signifies their outstanding dedication, achievement and contribution to the course throughout the year.

FETAC & ECDL Awards Night

In October/November each year, the Centre acknowledges and celebrates the achievements of the students who completed their studies in the Centre during the previous year. Students' families are invited to the ceremony and FETAC Awards and ECDL Certificates are presented to the students.

- Applicants will be notified of their interview results in July.
- Applicants who are offered a place in July who receive Leaving Certificate grades equal to or higher than those specified by the course of their choice will be accepted. Before Monday 27th August applicants are requested to submit a copy of their Leaving Certificate results (*where applicable*) to the Centre or their place on the course may be forfeited.
- Successful applicants will be requested to attend a registration morning the week commencing 27th August 2012.
- If an applicant would like to query the status of their application they should contact the Course Co-ordinator or Centre Director when the Centre re-opens on the 27th August 2012.
- Late applications received after 8th June 2012 will be processed, subject to availability of places, at the end of August/early September.
- As places on courses are limited, application before this date is strongly advised.
- Students for whom English is a second language will be required to take and pass an English test set by the Centre.
- Courses commence at the start of September.
- Closing date for late applications to PLC courses is 30th September of the current examination year.
- Course enrolment is considered complete only when all information and supporting documentation requested by the Centre has been submitted.
